

The B.O.K. Ranch Presents

“Connections”

Social Solutions for Kids!

Peer relationships and the ability to relate to others are critical for the emotional development of children. Our social skills program teaches interaction skills in a fun and engaging way. This camp is activity based so that the children have opportunities to practice their target skills while engaging in the activities.

Examples of the social skills targeted:

- Making eye contact
- Exchanging greetings
- Using appropriate body language
- Initiating interactions such as play, conversation, etc.
- Responding to interactions from others
- Engaging in activities with others
- Taking turns
- Understanding other people's body language such as facial expressions
- Understanding emotions and expressing emotions
- Giving compliments
- Friendship building

The B.O.K. Ranch and Connections are teaming up during our upcoming Spring Break, to offer a
